

CACHE COUNTY BOARD OF EQUALIZATION
Disclosure of Confidential Commercial Information Affidavit

Parcel Number : _____

As a result of a newly enacted Utah statute, some of the commercial information presented at your hearing has now been deemed confidential in nature. As required by law, the Cache County Board of Equalization must take action to insure that any commercial information of a confidential nature offered by you or your representative, the hearing officer, the Cache County Assessor, or the Cache County Auditor's Office will not be disclosed outside of this proceeding

Appellant(s)

To insure the protection of all participants and the confidential commercial information disclosed during your hearing, the Cache County Board of Equalization requires that you sign the following affidavit. Refusal to sign this affidavit will prevent you or your representative from obtaining or having access to any of the confidential commercial information contained in or related to your appeal record, except the information you have supplied in connection with your appeal.

All Participants

Pursuant to Section §59-1-404, Utah Code Annotated, I agree, as one either conducting or participating in the proceeding, that I shall not disclose outside of this proceeding, except as permitted by the foregoing or by Utah State Tax Commission Rule or Order, or Judicial Order, any commercial information disclosed in this proceeding.
