Paradise Pumpkin Patch

The Cache County Sheriff's Office has reviewed the event request for the "Paradise Pumpkin Patch" and it has been determined that the Sheriff's Office will not staff this event. Public Safety will be handled by the event provider as listed in the application submitted by the event sponsor. The permit can be granted as far as the Sheriff's Office is concerned.

This looks good to me. They are only serving pre-packaged foods that do not require temperature control, and there will not be enough people attending to have a mass gathering permit. Thanks again for keeping me in the loop and letting me know about these events.

Thanks,
