CREATING ONLINE ENTRIES

How to create your Entries in FairEntry or 4HOnline

1. Log into <https://cachecounty.fairentry.com> Use the “flowchart” to see if you log in through 4HOnline (green box) or FairEntry (blue box). If you do not have a 4HOnline account and have not registered with FairEntry before, select “Not in 4-H and need to create a FairEntry account.” Follow the instructions to create your account. If you have forgotten your password from last year, you can select “Forgot your Password?” and a temporary password will be emailed to you.
2. Click “Begin Registration” and enter the exhibitor information into the required fields. This can be a family name (head of household) or an individual. Fill in exhibitor contact, address, file uploads (if needed), special questions and ensure all is correct.
3. Review the exhibitor information. If any information is incorrect, click the green Edit button in the appropriate box to make changes. When all information is correct, click Continue to Entries.
4. From here you can create additional people by clicking “Register another Exhibitor” or you can select the green button to the right of the persons name and “Add an Entry.”
5. Creating Entries - Select “Add an Entry” next to the correct exhibitor. Click the green “Select” beside the first department you wish to enter. After you select a department, you will see a list of classes to select from, and then a list of available lots. Also notice that there are blue “Change” links in case you mistakenly select an incorrect department, class, or lot. Click “Continue” when you have chosen the Department, Class and Lot. Review the entries. You may need to enter a Club/Chapter.. If everything is correct, click “Continue.”
6. Creating Animals - If this is an animal entry, you may be required to specify which animal will be exhibited in the lot by selecting “Add an animal.” You will have two choices. Select “Enter a New Animal Record” to enter new animal information. Fill in all of the fields with information about the animal you intend to exhibit. Click “Create and Add Animal” when finished. If the animal information was entered incorrectly, you have the option to either Remove From Entry (creating a new animal) or Edit Animal Details. When it’s correct, click Continue.
7. Each exhibitor can have multiple entries. One entry must be made for each item, each animal, etc. For example, if an exhibitor is bringing 2 photographs, two entries into the photography lots must be created. If an exhibitor is showing one horse in 5 events, five entries must be created. Once all entries have been created for the first exhibitor, you have the choice of creating another exhibitor. You can create an additional family member (and entries) or proceed to check-out (submitting the entries, whether or not fees are charged).
8. At the top of the page there are 3 boxes that say “Exhibitors, Entries, Payment.” You can click on any of those boxes to go to the “Exhibitor” or “Entries” page to add exhibitors or view all made entries.
9. When each entry is complete, you have three choices for what to do next. You can Register another Exhibitor in this group, Add another Entry for this Exhibitor, or Continue to Payment to finalize and submit your entries.
10. Review your entries for completeness and accuracy. Notice the Summary and Detail buttons at the top of the list on the right. If there are errors, click on the green Entries section at the top of the page.
11. If all entries and information are complete and correct, click “Continue to Payment.” (Some departments have fees and others do not.) A credit card payment option has been set up. Cache County will not accept cash or check for fee payments. Once all entries have been entered for exhibitors in your family, “Submit” the invoice for approval.
12. You will need to agree and accept the “Terms Message” at the end.
13. Once you get to the “Thanks!” screen you have successfully registered for the Cache County Fair. You will receive an email. Be sure to check your “dashboard” and review the invoice to ensure you have registered for all the correct classes.
14. If you have forgotten to register other exhibitors or forgotten any entries, you must wait until the invoice you just submitted has been “Approved.” Once approved, log back into your dashboard on FairEntry and click begin work on a new invoice.
15. If you need assistance or have any questions email cachecountyfair@yahoo.com

Thank you for entering into the Cache County Fair! We can’t wait to see you there!

- Be sure to click the "Submit" button when you have completed your entries. Entries are not final until they have been submitted.
- Check your email inbox for a confirmation email with a list of your entries and any related fees.
- You will receive a second email when your entries have been approved for the fair.
- Later, if you choose to add more entries you may. First you must wait for your initial submission of entries to become approved before you can add any other additional entries.

4-H Showmanship Trials

4-H Youth compete in a Dog Show Confirmation Trial. This is to encourage and introduce participation in the sport of dogs. This provides a meaningful competition in which youth learn, practice, and improve in all areas of handling skill and sportsmanship.

4-H Obedience Trials

4-Hers show off their obedience skills they have taught and learned over the years. It provides an outlet for a wonderful partnership between the youth and their dog. They participate in a series of obedience skills and judging.

4-H Trick and Games

For all 4-H youth, their dogs and their families. The 4-Hers will show off learning tricks or skills as well as playing fun games and giving their dogs rest.

4-H Rally Obedience

4-Hers show off their obedience skills in a sequenced course provided by the judge. A fun way to utilize obedience skills and anticipation for what skill will be required.

Agility

Obstacle Course meets speed, and cunning skill with agility! 4-Her and dog must traverse a numbered course in the fastest time. Very fun!

Frisbee Tricks

A few leader dogs show off their stuff using frisbee catches and long distance throws. So fun! And audience can participate!

K9's Unleashed Academy Demos

Along with our 4-H Leaders we have the support from K9's Unleashed Academy trainers too! They will show off their skills and tricks throughout the day. If time allows they choose audience members to help show off these skills!

2. 4-H youth need to update or register for this 4-H year by April 1 of the current year to be eligible to tag in an animal. 4-H enrollment is done online at ut.4honline.com. 4-H and FFA entries for the fair will enter online at: <https://cachecounty.fairentry.com>. (4-Hers use the green log-in and FFA use the blue log-in.)
3. All exhibitors will be responsible to designate/enter his or her market animal through 4hOnline or FairEntry and pay the **\$5.00 entry fee per market animal** prior to weigh-in at fair time.
4. Age: To be eligible to participate in the Cache County Junior Livestock Show and Sale exhibitors must be in the third grade, but not less than 8 years of age, as of January 1st of the current year. Exhibitors can show through the same season as their high school graduation but not past their 19th birthday. Exception: Disabled persons as defined by Public Law 98-527.
5. FFA participants must complete all record keeping requirements set by his/her chapter advisory. 4-H youth must submit a completed 4-H livestock record book.
6. Anyone who is married is ineligible to participate.
7. Ownership of animals: The exhibitor will own, feed, and care for his/her project animal(s) for no less than 100 consecutive days for market beef and commercial dairy heifers, and 60 consecutive days for market swine and market lambs immediately prior to the show time. No interruption of ownership can occur. The livestock project animals must be located in the same county as the exhibitor during the required ownership period.
8. Tag-in dates will be set by division chairpersons to comply with ownership requirements. Exhibitors can tag-in two animals of the same species (one is a backup) but sell only one animal.
9. Exhibitors must present their animal(s) at the designated times for entry into the Cache County Fair shows. Animals not presented at the entry times will not be allowed to show or sell.
10. Dress Code: 4-H -A long or short sleeve shirt which fastens down the front with a collar is mandatory. Shirts must be white or predominately white in color and need not be Western style. The following will not be allowed: T-shirts, tank tops, tube tops, or sleeveless shirts. There is to be a 4-H emblem or patch on all 4-H members' shirts. FFA members: either a white shirt, tie, and FFA jacket or a white shirt with the FFA emblem and tie (No T-shirts). Exhibitors who fail to abide by dress standards will forfeit premium money.
11. Fitting on show grounds: The fitting of animals will take place in areas designated by the Livestock Show Committee. Parents, guardians, siblings, club leaders, Extension/4-H Agents, and FFA Advisors may assist, and are encouraged to assist the younger exhibitors. However, each exhibitor must be working with the project animal and be in attendance with that animal during the entire fitting process.
12. Market Animal Weights: All market animals will be weighed only once at the appointed weigh-in times.
 - Beef: 1,100 -1,275 lbs. (1000 pounds minimum, suggested weight range)
 - Sheep: 100 -130 lbs. (100 pounds minimum, suggested weight range)

 - Swine: 230 -330 lbs. (Minimum and Maximum weights required)
13. There are no upper weight limits at the show except for swine, but minimum weights will be in effect. Exhibitors whose animals are sifted because of weight restrictions, may still participate in showmanship classes.
14. 4-H and FFA exhibitors may exhibit **two market animals**, if they are **different species** at the fair and sell only one animal. For example: An exhibitor could exhibit one lamb and one goat, or one lamb and one hog, but exhibitors cannot enter two lambs or two goats.

15. Exhibitors can have both animals judged and placed, however, only one animal can be sold through the auction. The sale animal must be designated by the exhibitor by noon on the day prior to the sale or the show committee will choose the highest placing exhibit animal for the sale.
16. Grand Champion and Reserve Grand Champion market animals must be sold through the Junior Livestock Sale and must be harvested. If an exhibitor wins Grand or Reserve champion with two animals they may sell both animals. (Commercial Dairy Heifer winners are exempt from the slaughter rule.)

A fee of **\$5.00 per head of exhibited market animals** may be assessed each year for livestock pens and facilities.
19. There is a **10% commission** on all boosts.
20. Change of Ownership: Once an animal has gone through the Junior Livestock Auction, regardless of buyback or no-sale, within the specified ownership requirements, it is no longer eligible to enter another show.
21. Exhibitors must feed and care for animals Saturday evening after the sale. Market animals cannot be removed from the stalls, pens, or fairgrounds without prior approval of each department chair.
22. Lamb Docking Rule: To qualify for exhibit market lambs must be docked within the guidelines set by the Utah State Junior Livestock Association. Market lambs or breeding sheep showing any signs of contagious disease, current or recent signs of prolapse, or with an open sore on the dock (rosebud), will be sifted. The show vets discretion will be used at time of weigh in. The show vet's determination is final.
23. In the Market Quality classes, exhibitors must personally exhibit and sell their own animals unless prior arrangements are made with the committee. Exceptions are made only in extreme cases.
24. Showmanship age classes for all species are determined by the completed grade of school of that year. It is the grade the exhibitor completed in May of the current year prior to the show. Showmanship classes are optional. Exhibitors participating in showmanship must use the animal they entered in the market class of that species.
25. Premiums: Quality premiums for swine, sheep, goats and beef are as follows: Blue \$11.00; Red \$9.00; White \$7.00; Trophies will be given for Grand Champion. 30. Judges will award placings of Blue, Red, and White according to the type, quality and condition of the animals. Animals meeting weight limits but receiving a white ribbon, as determined by the judge, will not be eligible for the Junior Livestock Sale.
31. Market swine exhibitors are strongly encouraged to do all clipping at home prior to weigh-in and wash all animals prior to Thursday's show. Facilities will be provided Wednesday thru Saturday from 6:00 a.m.- 8:30 p.m.
32. No exhibitor will be allowed to show an animal if he or she cannot control the animal in the show or auction ring. Assistance will be permitted at the discretion of the ring officials.
33. Each division chairperson is responsible for judges and any decision for the department.
34. Identification signs must be displayed on each pen or stall showing ownership.
35. Any animal not fitted, cleaned, or cattle not broke to lead may be sifted by the committee; and the judge will award no premium to such animals.
36. Supervisors of departments shall have the right to place any animal into a class which they feel will furnish the best competition.

POULTRY RULES - QUALITY & STANDARDS

1. PRE-REGISTER all poultry online at: <https://cachecounty.fairentry.com>
Early registration is REQUIRED. Registration is closed Sunday Aug. 2, 2020 at midnight, or when cages are full. This enables us to have coup tags printed and already placed on cages. It also makes check-in much easier for the entire entry and judging process. No new entries accepted the day of check-in.
2. Birds will be received Wednesday from 10:00 a.m. to 4:00 p.m. Exchanges can be made if absolutely necessary but should be of the same class. Exchanges however makes the judging process difficult.
3. Judging starts Thursday morning at 9:00 a.m. Judging area will be closed to the public. Birds may be re-arranged in the show cages for ease of judging. No exhibitor will be allowed to move birds around without committee approval.
4. Each Bird must have a leg band. If you do not have a leg band they can be purchased for a small fee. Contact the chairman if you will be needing to purchase any leg bands.
5. Boxes or carriers are not allowed to be left on premises during fair time. Carriers/boxes that you bring with your animal come and go home with you.
6. Birds must be feathered out in their adult plumage. If you are unsure if your bird is old enough, please contact the chairman.
7. Any birds showing any signs of illness or parasites will not be allowed. Such birds will be returned to owner immediately or placed in quarantine.
8. No awards will be given to any bird that the judge deems unworthy.
9. The committee is not responsible for loss or damage to any bird. Committee will give special care to all birds, including feeding and watering. Exhibitors can visit their birds as often as they wish.
10. The show committee WILL NOT be involved in the selling or purchasing of any birds.
11. Check-out time is Saturday at 8:00 p.m. NO BIRDS will be removed prior. Any bird remaining after 11:00 pm will become the property of the committee unless prior arrangements have been made.
