

RAPZ AND RESTAURANT TAX PROGRAM

2022 APPLICATION FOR FUNDING

The attached application form must be used when requesting Restaurant Tax or RAPZ Tax funds. The purpose of these funds is to foster the development of tourism and to enhance botanical, convention, cultural, recreational, and zoological facilities in Cache County.

PROGRAM HISTORY AND QUALIFICATIONS FOR FUNDING

In November 2002, Cache County voters approved a 1/10th of 1% sales tax, known as the *RAPZ Tax*. These funds can be used to support *capital projects and operating expenses* for publicly owned or operated recreation or park facilities, and Zootah at Willow Park. They can also be used to fund *operating expenses* of private nonprofit organizations with the primary purpose of operating as a botanical or cultural organization. Since 1992, the Cache County Council has approved a 1% sales tax on prepared food items, known as the *Restaurant Tax*. These funds can be used for either capital projects or maintenance expenses by publicly owned or operated facilities for the purpose of tourism promotion, recreation, cultural arts, convention centers, and airports. Private nonprofit organizations are eligible to receive Restaurant Tax funds only for tourism promotion.

CONSIDERATIONS FOR FUNDING DETERMINATION

Applications that are filled out completely and provide information as requested will be given priority. The following points are also considered when making funding determinations: (1) The planned timeframe for completing the project for which funds are requested (2) Percentage of funding from Restaurant and RAPZ taxes compared to other sources, including the value of donated labor and materials – preference is given to projects which provide additional sources of support and volunteerism (3) Extent of availability or usage of the project to the public or patrons - preference is given to projects where wide usage and easy access appears probable and where greater numbers of the potential target market will benefit (4) The patron or participant costs to use the project, services or facility (5) Detailed applications which include information such as actual bids as opposed to rough estimates, will be given preference (6) Identification of past RAPZ and Restaurant tax funding, if any, and the effective use of those funds. *Past funding of an organization will not be considered as setting a precedent for future funding! Each new request will be reviewed based on its own merit.*

FINANCIAL DISCLOSURE REQUIREMENT

Applications must be filled out completely including a concise overall budget of the organization, and the financial details for the specific funding request. ***Entities other than municipalities requesting more than \$25,000 must include a copy of their most recent tax Form 990, Form 990-EZ, or Form 990-N, including all schedules as applicable. Entities other than municipalities requesting more than \$50,000 must also include a copy of their most recent audited financial statements. Nonprofit organizations must include their Tax Identification Number.***
