### 2. Items of Business

Other items of business

### 3. Items of Discussion

Just over \$1 M of RAPZ & Restaurant Tax Program funds were available for recommendations. The board reviewed suggestions received via email of increases to previously recommended funding for many entities. The recommendations came in spreadsheets or the bodies of emails. Each request on the spreadsheets and in emails was discussed, and recommendations were presented and agreed on to be presented to the Council for their approval. Additional recommendations from board members were also discussed and agreed upon, and will be given to the Council for their approval. The board increased the recommendations from about \$3.3 M during the April 24, 2023 board meeting to just over \$3.8 M.

After all suggestions were discussed and agreed upon, recommended award amounts were reviewed, and the remaining amount was calculated to ensure money was still available; the board members discussed any additional recommendations.

The board left just over \$600,000 in RAPZ & Restaurant Tax Program funds.

A video recording can be viewed at <https://www.cachecounty.org/meetings.html> on the Cache County website.

Below is the recommendation of awards sent to the Cache County Council.
